MFL MarMac High School

Physical Education Credit

Students in grades 9-12 may earn one physical education credit per year if requested in writing by the parent. If the student is involved in an organized and supervised athletic program for a full season, a PE credit may be granted. MFL MarMac High School requires four (4) PE credits for graduation. Any state laws that go into effect that contradicts local policy will void this credit.

My son/daughter, _____, is requesting a PE credit to be earned during the _____ first semester / _____ second semester of the 20___ - 20___ school year.

This student is participating in _____ for the full season.
